

Jett Liuren Wang

UX Designer & Developer / jettlwang.github.io

New York, NY / jettlwang@gmail.com / 630-863-3759

Projects & Experiences

Experience Design Intern / Huawei Mobile Design Center

2017.6-2017.8 / Shanghai, China

Participated in high level feature design and early prototyping for Huawei mobile systems. Collected quantitative and qualitative user data through designing questionnaires and conducting user interviews.

Cofounder & Designer / Noofie App

2016.8-2016.10 / San Francisco, CA

Developed iOS product concept and performed market research. Designed the product from architecture to UI through iterative design and prototyping, along with website & pitch deck with visual consistency.

UX Consultant / HoneIt

2016.8 / San Francisco, CA

Communicated with client and team to identify project scope. Conducted user interviews and usability tests. Created redesigned wireframes. Delivered annotated usability reports and detailed design documentations.

Freelance UX Designer

2016.1-2016.6 / Champaign, IL

Performed freelance design work for student organizations, small businesses and start-ups. Work includes graphic design, UI/UX design for web & mobile and product design.

Software Engineer Intern / EMC Center of Excellence Lab / 2015.6-2015.8
